

ANNOUNCEMENT

7 December 2017

CHANGE OF NAME TO MC MINING LIMITED

Coal of Africa Limited’s (“**CoAL**” or the “**Company**”) shareholders approved the change of the Company’s name (“**Name Change**”) at the Annual General Meeting (“**AGM**”) on 24 November 2017. The results of the AGM as well as previous announcements detailing the recently completed 20 to 1 share consolidation (“**Consolidation**”) and Name Change are available on the Company’s website www.coalofafrica.com.

The Consolidation was completed yesterday, 6 December 2017 and trading of CoAL shares listed on the AIM Market of the London Stock Exchange (“**AIM**”) recommenced today. Following the Consolidation, the Australian Stock Exchange (“**ASX**”) and AIM are utilising the International Securities Identification Number (“**ISIN**”) AU000000CZA6 while the Johannesburg Stock Exchange (“**JSE**”) will continue using the ISIN AU000000CZADC4, pending the implementation of the new Name Change ISIN.

As previously announced, the Company has received Australian Investments and Securities Commission approval to change its name to MC Mining Limited (“**MC Mining**”). The ASX notified the Company today that as a result of the Name Change, its new ISIN is AU000000MCM9, that will be implemented on the ASX on 8 December 2017. The ASX approved timetables previously distributed to the market anticipated that the Name Change ISIN would be received on 6 December 2017 and this delay unfortunately impedes Euroclear, the securities settling organisation for AIM transactions, from effecting the necessary system and administrative amendments required to implement the Name Change ISIN. As a result, Euroclear will not be able to process trades in the Company’s shares on Friday, 8 December 2017, requiring the suspension of shares on AIM. The Company anticipates the suspension will be lifted prior to AIM market opening on Monday, 11 December 2017. A further update will be made in due course.

The Name Change will be implemented on the ASX, AIM and JSE as per the table below.

Bourse	Effective date	Name	ISIN	Ticker
ASX	8 December 2017	MC Mining Limited	AU000000MCM9	MCM
AIM	11 December 2017	MC Mining Limited	AU000000MCM9	MCM
JSE	11 December 2017	MC Mining Limited	AU000000MCM9	MCZ

Shareholders on the South African register are reminded that due to the Name Change processes, share certificates may not be de-materialised or re-materialised between the ex-date (11 December 2017) and the record date (13 December 2017). The change in ISIN precludes the transfer of the Company’s shares from or to the South African share register until record date, when the Name Change process is complete.

The Company expresses its gratitude to shareholders, regulators and its advisors for their assistance during the complex Consolidation and Name Change processes.
