

ANNOUNCEMENT

26 JUNE 2018

## GENERAL BANKING FACILITY

MC Mining Limited (“MC Mining” or the “Company”) is pleased to announce that it has procured a R20 million (twenty million rand) general banking facility (the “Facility”) for its 70% held subsidiary – Uitkomst Colliery (Pty) Limited. The facility is from Rand Merchant Bank (“RMB”), a division of FirstRand Bank Limited.

The Facility is subject to a floating coupon at the South African Prime rate (currently 10.0% per annum) less 0.5% and is a 12-month facility, which will be reviewed annually by RMB.

### David Brown, MC Mining’s Chief Executive Officer commented:

“The Company acquired its stake in Uitkomst on 30 June 2017 and it has proven to be a highly profitable operation, with strong underlying cash flows. Notwithstanding this, a general banking facility will provide Uitkomst with flexibility to temporarily finance sustaining capital to secure its production profile, should this be required.

The facility is a further milestone on the strategic journey the Company has embarked on.”
